I. Introduction

Hello!

Welcome to the ballot guide. I try to include as much information as possible without directly recreating the ballot guide. The information is sourced from the ballotguide, calmatters, ballotpedia, LA Times, voter's edge, and Mercury News. I have included links to the campaign website or wherever most of the information came from.

I have done my best to keep my views out of it.

I started this to help my two aunts because they would ask me to simplify their ballots for them. Democracy relies on an informed and participatory citizenry, but it's not always easy. This is meant to alleviate some of the burden.

If you notice any errors, you feel like I've missed something, or you found this guide helpful feel free to email me at lizmuehlmann@gmail.com.

If you're looking for a different city, county, or state additional guides are available on my GitHub here: https://github.com/liz-muehlmann/Election_Guides or on my website here: https://liz-muehlmann.github.io/pages/election_guides.html
