1 Introduction

Hello!

Welcome to the ballot guide. I try to include as much information as possible without directly recreating the official ballot guide. The information is sourced from the official ballot guide, calmatters, Ballotpedia, LA Times, voter's edge, and Mercury News. I have included sources links where appropriate.

I have done my best to keep my views out of it.

I started this to help my two aunts. They would ask me to simplify their ballots for them and since I was, in their words, “into politics.” Democracy relies on an informed and participatory citizenry, but this isn't an easy task. This ballot guide is meant to alleviate some of the burden. If you notice any errors, you feel like I've missed something, or you've found this guide helpful, feel free to email me at lizmuehlmann@gmail.com.

If you're looking for a different city, county, or state, additionally guides are available on my Github here: https://github.com/liz-muehlmann/Election_Guides or on my website here: https://liz-muehlmann.github.io/pages/election_guides.html
